

SINCE  1856

RUB Y

C H E R R Y C I D E R

Made from 100% Tasmanian grown, fresh pressed apples and cherries sourced from the pristine Derwent Valley.

The cider is made in a reductive manner which enhances the true characteristics of the fruit and in doing so, keeps the cider as fresh as the day it was pressed.

This gives the sensation of biting into the fruit you are drinking!

Being a higher alcohol cider, it is balanced with natural sweetness to keep the cider sessionable.

TASTING NOTES

Ruby cherry cider is a deep, dark crimson in colour with a spicy, herbal aroma

The palate is lifted with a vibrant acidity, but a plump berry taste fills out the drink with a spicy back palate and a creamy textural, rounded mouthfeel. Dark berry notes linger on the palate

AVAILABLE IN: 4 Pack / 375mL

ALCOHOL CONTENT: 6%
